

# ViaVienté

## WE ARE MORE THAN A COMPANY, WE ARE A CAUSE

### VIAVIENTÉ IS GREEN

ViaVienté maintains an on-going commitment to supporting a healthy environment. Our food is grown as nature intended, pesticide and herbicide free. Via's packaging is 100% recyclable – including bottle, cap, and every part of the shipping container. In addition, the ViaVienté product contains NO PRESERVATIVES.

### VIA'S GLOBAL RESPONSIBILITY EXTENDS TO PHILANTHROPIC GIVING, INCLUDING:

#### *The Andes Children's Foundation*

Founded in 2003 by Craig Keeland, this organization provides much needed support for the schools and school children of Vilcabamba, Ecuador. Without the efforts of the Andes Children's Foundation, the children of Vilcabamba would suffer a severely limited education. The ACF ensures that these children WILL have a Bright Future by distributing school supplies, computers, audio-visual equipment, copy machines, microscopes and other lab equipment for classes, internet access via satellite, teacher training and much more. The ACF provides a way for ViaVienté Members to say "Thank You" to the Vilcabambans for their generosity in sharing their healing fruits and energizing mineral water with the rest of the world. Visit [www.AndesChildrensFoundation.org](http://www.AndesChildrensFoundation.org) to learn more.

#### *China Earthquake Relief*

The earthquake that hit the Sichuan province in China on May 12, 2008 killed nearly 70,000 people and left a million homeless. ViaVienté's contribution to earthquake relief helped rebuild schools that were destroyed in the quake.

#### *The Susan G. Komen Foundation*

Since 2006, ViaVienté has sponsored Races for the Cure in both Plano and Dallas, Texas, and supported the Komen Vision of Eradicating Breast Cancer Worldwide.

#### *Hurricane Katrina Relief*

When Hurricane Katrina hit the US Gulf Coast in 2005, ViaVienté made a significant financial contribution to assist displaced Via family members. This support helped those affected by one of the worst natural disasters in US history begin the process of rebuilding their lives.
